TRIBUTE TO KRIS JORDAN

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. JORDAN. Mr. Speaker, I am honored to commend to the House the memory of Kristopher W. Jordan of Ostrander, who died unexpectedly at the age of 46 on February 25. Kris ably served the people of Delaware County in the Ohio House of Representatives.

Kris was a man of strong faith and strong conservative credentials. He was a leader of the pro-life movement in the General Assembly and a champion of smaller government throughout his time in government service, which included 8 years in the Ohio Senate and 6 as Delaware County Commissioner.

His dedication and connection to the people of his district was so strong that he would knock on thousands of doors each election season even when running unopposed.

Mr. Speaker, we are grateful that good men like Kris Jordan are willing to dedicate themselves to public service. We offer his family and especially his 3 children—Macy, David, and Everly—our deepest condolences at this difficult time.

RECOGNIZING ROSEANNE BUTLER-SMITH

HON. BRIAN HIGGINS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, March 10, 2023

Mr. HIGGINS of New York. Mr. Speaker, I rise today to recognize and congratulate Roseanne Butler-Smith on her retirement from many years of dedication and service to Western New York's Public Libraries.

Roseanne began her career in 1987, working part-time at the Lancaster Public Library and was appointed a full-time librarian in January 1988. She continued her career moving throughout our vital public libraries, serving as Library Director for the Cities of Tonawanda, Clarence and Amherst. She also served as a member of the New York State Library Association, American Library Association, and Public Library Association. Throughout her

time, she always put the needs of the library patrons first, ensuring that these public resources could continue to provide meaningful service to the members of their communities.

During her time as Library Director for the Town of Amherst, budget cuts eliminated funding for the Williamsville Public Library. Roseanne was responsible for helping to keep its doors open through various creative fundraising efforts. These included hosting the Winter Gala. This annual fundraiser started in 2012 and has grown tremendously over the years, successfully raising thousands of dollars for the Williamsville branch. Other fundraising efforts included hot dog sales at the Glen Park Arts Festivals and raffle events. Roseanne even delayed her retirement to ensure she could oversee the completion of the Audubon expansion—an anecdote that perfectly encapsulates the commitment she showed to our library system.

Today, I ask that you join me in celebrating Roseanne Butler-Smith on her retirement and unwavering dedication to Western New York. She has made extraordinary contributions over her career, ensuring that these libraries stay open and operating for all members of the community to enjoy. I'm confident that Roseanne's retirement will be marked by spending time with her husband Gordie and their children, traveling, and as always, settling down with a good book.

Mr. HUDSON. Mr. Speaker, I rise today to honor retired Colonel Guy Kent Troy for a lifetime of exemplary service to our nation.

After graduating from the United States Military Academy at West Point in 1946, Col. In some of his most impressive achievements in the military, he would go on to serve as the Advisor for Iranian Armored and Cavalry Units in Iran, the G2, Intelligence Officer with the 25th Infantry Division during the Tet Offensive in Vietnam, and the Defense Attaché in Austria. In addition to his distinguished military service, Col. Troy also served our nation as a world-class athlete. He was stationed at West Point in the 3rd Armored Cavalry Regiment after returning from Germany in 1950 to train for the 1952 Modern Pentathlon Team. This event consists of horse riding and jumping, fencing, swimming, running, and pistol shooting. His team won gold in the 1951 Pan American Games and finished fourth in the 1952 Olympics in Finland. His work ethic, determination, and success on the international stage represents the very best of our nation and serves as inspiration for all.

On March 15, 2023, Col. Troy will turn 100 years old. I would like to extend to him my most heartfelt appreciation for his indispensable service and leadership as an American soldier, athlete, and farmer over the course of his lifetime.
